Dominant Buying Motive: MARKET DOMINANCE

Become the go-to PI firm across Tampa Bay and South Florida — like TomDoc Law — by replacing referral dependence with a real growth engine.

What she wants:

- **Market leadership.** Be the firm people think of first for a PI case, like TomDoc Law.
- **Predictable growth.** Move from a ~$1.2M plateau to $2.5M+ without relying on referrals.
- **Less personal casework.** Build a team that lets both attorneys lead, not just work cases.
- **Protect their reputation.** Put 250+ litigated cases to work online instead of leaving it invisible.

What is stopping her:

- **No marketing history.** All cases come from referrals — no paid ads ever run.
- **Invisible in local search.** Did not surface in any of 3 local search checks in Tampa or Ft. Lauderdale.
- **Conflicting directory data.** Three addresses and two phone numbers circulate across listings.
- **No lead tracking.** No CRM or follow-up process for the $10k–$20k/mo already coming in.
- **Owner-dependent operations.** No accountability structure beyond the two attorneys.

Why This Marketing Package

What it does for her:

- Turns zero paid presence into consistent, trackable leads in both markets.
- Fixes the NAP inconsistency and builds the geo-targeted content that's missing.
- Gives them a real system to compete with Holliday Karatinos and Florin Gray at home.

Full Service Marketing — Growth | $7,497/mo bundled

- Revenue of ~$1.2M (stated) falls in the $1M–$2M Growth tier band.
- PI requires a minimum Starter tier — Growth clears that floor.
- Two offices in two competitive FL PI markets justify Growth's $50K ad cap over Starter's $20K.
- HubSpot's $1.98M estimate (medium confidence) lands in the same Growth band either way.

Why This Coaching Package

What it does for her:

- Builds the intake process and accountability structure currently missing.
- Gives Axel and Jonathan a peer group of PI firm owners at the same growth stage.
- Establishes the profit visibility needed before scaling ad spend further.

Elite Coach Plus | $3,200/mo bundled

- Revenue $1M+, team under 5, qualifies for Elite Coach Plus (Master's Circle needs 5+ staff).
- No accountability structure or ops role exists beyond the two attorneys.
- No profit or margin visibility was discussed on the call.
- No existing coaching or consulting engagement was mentioned.

Why This Ad Spend

What it does for her:

- Converts zero marketing history into the growth engine needed to hit $2.5M+.
- Captures the Spanish-language opportunity flagged on the call — a lower-cost channel competitors are not running.

Recommended Ad Spend Range:

- **Conservative:** $19,500/mo — minimum viable spend across Google, LSA, and Meta for MVA/PI.
- **Aggressive:** $24,000/mo — capped by the 35% total-spend rule vs. current revenue, not Growth's $50K cap.

Estimated Return on Investment:

- **Conservative:** ~5 cases x $7.5K = ~$41.1K/mo vs. $19.5K spend = ~2.1x return.
- **Aggressive:** ~8 cases x $7.5K = ~$60.7K/mo vs. $24K spend = ~2.5x return.

All figures are estimates. Not guaranteed.

How the range was calculated:

- **Conservative:** MVA minimums: PPC $10,000 + LSA $2,000 + Meta Retarget $1,500 + Meta Lead Gen $6,000 = $19,500.
- **Aggressive:** $2.5M goal x 20%/12 = $41,667. Tier 2 (1.3x) x Spanish 1.5x = $81,250, minus $7,497 fee = $73,753 raw — capped at $24,000 by the 35% rule.
- At aggressive: $10,697 + $24,000 = $34,697/mo = 34.7% of current $100K/mo revenue — just under the 35% cap.

If She Pushes Back

"We have never paid for leads before — why start now?"

Referrals got you to ~$1.2M, but not into any of the 3 local searches we checked — Holliday Karatinos and Florin Gray are there instead.

"$24,000/mo in ad spend sounds like a lot."

That figure is capped at 35% of current revenue plus fees — well below the $50K Growth would allow — and scales up as revenue grows toward $2.5M+.

"Will this actually work for a two-market firm?"

The plan covers both offices from day one: Google Ads, LSA, and Meta plus geo-targeted pages for Lutz/Tampa Bay and Ft. Lauderdale/South Florida.
