Dominant Buying Motive: SCALE AND DOMINATE

Stephen wants Lasser Law Group to be the recognized first-call firm for real estate and commercial litigation in New York.

> *"No transcript available — DBM inferred from 20+ year history, multi-office expansion, video podcast investment, and 'large law firm experience with personal service' positioning."*

What he wants:

- **Market Visibility.** The firm's expertise findable by clients searching online — not just referral sources.
- **Predictable Case Flow.** A reliable pipeline independent of who happens to make a referral call.
- **Systems-Driven Growth.** A firm where nine attorneys operate efficiently without the managing partner in every decision.

What is stopping him:

- **No Digital Presence.** Zero paid ads, no LSA, not in the 3-pack — all online traffic goes to competitors.
- **Reputation Risk.** 3.6 stars / 24 reviews; recent reviews negative. Goldberg & Lindenberg: 57 reviews at 4.2★.
- **Weak Intake.** Contact form buried, no live chat — any new marketing will under-convert.
- **Revenue Unconfirmed.** $1M is a third-party estimate only — qualify actual figure early in the call.

Why This Marketing Package

What it does for him:

- Puts the firm at the top of every Manhattan real estate attorney search — converting 20 years of expertise into steady inbound cases.
- LSA enrollment and GBP recovery give the Google Screened badge and rebuild trust signals above the 4.0-star threshold.

Full Service Marketing Starter | $4,847/mo bundled

- NYC Tier 1, high-CPL legal market — requires full-service management across Google Ads, LSA, local SEO, and Meta.
- Website rebuild needed: contact form buried, blog stalled 12+ months, mobile performance unconfirmed.
- Conservative $10K ad spend: est. 13 cases x $9K avg = $117K/mo, ~11.7x return. All figures are estimates.

Why This Operations Package

What it does for him:

- Builds the operational infrastructure — intake systems, team accountability, management structure — so nine attorneys across three offices run without Stephen as the bottleneck.
- Dedicated Fractional COO specializing in law firm operations, plus Elite Coach group deliverables included in the package.

FCOO Advisor | $3,297/mo bundled

- ~$1M revenue, 12-person team, 3 offices with no confirmed ops layer — FCOO Advisor builds the management structure to handle increased case volume.
- Includes weekly group coaching, practice area masterminds, quarterly workshops, and annual in-person workshop. Stand-alone $3,797; bundle saves $500/mo.

Why This Ad Spend

What it does for him:

- Captures landlord, property manager, and board member intent traffic currently going to Goldberg & Lindenberg and Belkin Burden Goldman.
- One signed commercial litigation matter at $10K–$30K recovers a full month of ad spend — making this the highest-leverage investment available.

Recommended Ad Spend Range:

- **Conservative:** $10,000/mo — PPC $3,500 + LSA $2,000 + Meta Ret $1,200 + Meta Lead $3,500 = $10,200.
- **Aggressive:** $25,000/mo — Starter tier cap. Scaling beyond $25K requires Growth tier ($7,397/mo fee).

Estimated ROI (estimates only, not guaranteed):

- **Conservative:** 85 leads x 15% = 13 cases x $9,000 = $117,000/mo vs. $10,000 = 11.7x return.
- **Aggressive:** 255 leads x 15% = 38 cases x $9,000 = $342,000/mo vs. $25,000 = 13.7x return.

Business Law CPL benchmarks, NYC Tier 1. Blended case value — commercial litigation averages higher. No transcript to confirm close rate.

How the numbers were built:

- **Conservative:** Channel minimums. PPC $3,500 + LSA $2,000 + Meta $2,700 = $10,200 rounded to $10,000.
- **Aggressive:** $2M goal x 20% / 12 x 1.5 (Tier 1) = $50,000 — capped at Starter limit of $25,000.
- $8,144 + $10,000 = $18,144/mo = ~1.8% of revenue. Aggressive $33,144 = ~3.3%. Both under the 35% cap.

If He Pushes Back

"We get enough work from referrals."

Referrals have a ceiling. Goldberg & Lindenberg has 57 Google reviews at 4.2 stars and appears in every Manhattan landlord-tenant search. That gap grows every month without action.

"Our Google rating has some issues."

3.6 stars / 24 reviews with a May 2026 critical review is the first thing a new prospect sees. Systematic review generation can recover above 4.0 in 60–90 days — but only if it starts now.

"Is the timing right? We're busy managing three offices."

Urgency score: 7/10. Belkin Burden Goldman (60 attorneys, Chambers-ranked) and Gallet Dreyer & Berkey (50+ years in condo/co-op) are not waiting. Every month extends their lead.
