Cooper & Cooper, P.A.

Sales Companion | November 9, 2026 | Rep: Randy Gold

Prospect Snapshot

Owner	Revenue	Team	Stage	Close Rate	Location
Anthony & Charlean Cooper	$2.1M (seller-confirmed)	11	Stage 4	2-3 of 10 (rep recap)	Fleming Island, FL

Dominant Buying Motive: FREEDOM + GROWTH

Anthony wants the numbers to keep climbing, and Charlean wants out of day-to-day casework so they can live their lives.

> *"when I see the numbers going up, when I see, okay, I'm having to get a new office every five seconds... that's the stuff that drives me. (Anthony)"*

> *"I want to be like John Morgan's wife... where it seems like she gets pulled out for things and then it gets to go and kind of live like her life with her grandchildren and with her kids. (Charlean)"*

What they want:

- **Out of the consult room.** Charlean wants consultations handled by a trained team.
- **A non-attorney sales team.** Anthony calls it one of his biggest goals.
- **Growth they can see.** New attorneys, new space, and rising numbers.

What is stopping them:

- **Founders close every consult.** Prospects ask for Charlean by name.
- **No sales playbook.** Anthony: "I've never seen that before."
- **Flat results (rep recap).** Spend reportedly doubled; retained clients did not.
- **Fear of a dip.** Charlean wants business steady during a switchover.

Why This Marketing Package

What it does for them:

- Puts search, ads, and AI visibility under one plan tied to retained clients.
- Answers Anthony's own ChatGPT checks with real AI-search work.
- Builds probate visibility as that practice grows.

Full Service Marketing — Growth | $7,497/mo bundled

- $2.1M is just over the $2M Dominate floor; Growth is seller-locked. Be ready if asked.
- Two practice areas rule out Essentials; Growth covers up to 4 GBP locations.
- Call quoted $7,397; Growth is now $7,497. No setup fee in the tables.

Why This Coaching Package

What it does for them:

- Gives the team a sales and intake process so consults convert without Charlean.
- Gives Anthony the playbook for the non-attorney sales role.
- Builds structure so growth stops routing through two people.

Master's Circle | $4,600/mo bundled

- Revenue is over $1M and the team is 11, so Master's Circle qualifies.
- Anthony asked to start marketing only and add Master's Circle in 1-2 months.
- Marketing-only is charged stand-alone at $8,997/mo; bundle savings need both.

Why This Ad Spend

What it does for them:

- Puts the firm in front of high-intent divorce, custody, and probate searches.
- Gives a range, so they can start small and scale as retained clients rise.

Recommended Ad Spend Range:

- **Conservative:** $3,500/mo — Google search only; below the $6,700 all-channel minimum, so flag for paid ads review.
- **Aggressive:** $15,000/mo — seller override in Slack; Randy quoted a $15,000 minimum on the call.

Estimated Return on Investment:

- **Conservative:** ~6 cases x $4K = ~$23K/mo vs. $3.5K spend = 6.7x return.
- **Aggressive:** ~33 cases x $4K = ~$132K/mo vs. $15K spend = 8.8x return.

All figures are estimates. Not guaranteed. $4K case value and 20% close rate are unconfirmed rep-recap figures.

How the range was calculated:

- **Conservative:** Family law Google minimum $3,500 = $3,500. About 29 leads at a $120 blended CPL ($100 + 20%).
- **Aggressive:** $15,000 seller override. Mix 70% Google, 15% LSA, 15% Meta = about 165 leads at ~$91 CPL.
- Total spend at aggressive: $27,097/mo = 15.5% of revenue. Under the 35% cap.

If They Push Back

"How can you plan on double the return if you have not looked at what we currently have? How do you know?"

Agree. Offer a joint review of their current ad account first. The report shows estimates only, with a $4K case value and 20% close rate unconfirmed. Do not promise doubling.

"I'm not hating the number, but there's got to be a little bit of a transition."

Anthony asked to phase in Master's Circle. Randy agreed marketing alone can start. Tie intake training to ad ROI, and note marketing-only is $8,997/mo, not $7,497.

"I don't want to see a dip in business if we switch."

Their vendor is month-to-month, so new campaigns can overlap until they are live. Walk through onboarding with the Onboarding team. Promise no dates.
