

The Bradley Law Firm, PLLC

Sales Companion | June 19, 2026 | Rep: Dan Bryant

Prospect Snapshot

Owner	Revenue	Team	Stage	Close Rate	Location
J. Anthony Bradley	~\$750K est.	2 (atty + PT para)	Stage 3	15% default	Germantown TN + Southaven MS

Dominant Buying Motive: WORK SMARTER, NOT HARDER

Earn more without more hours — a firm on systems, not on Anthony alone.

"wants to increase earnings by working smarter, not just raising prices"

"desires to adopt AI thoughtfully to avoid disruption to billable model while improving reliability"

What he wants:

- **More earnings, same hours.** Fully booked — the path up is systems, not more time billed.
- **A reliable team.** Lost full-time staffer; paralegal has quality issues on pleadings.
- **Smarter operations.** Duplicate data entry between PracticePanther and WealthCounsel is a named pain.

What is stopping him:

- **No paid marketing.** Zero visibility in paid search, LSA, or Meta — all growth is organic/referral.
- **Lean team with quality issues.** Cannot absorb new client volume without rebuilding capacity first.
- **No financial visibility.** Revenue not stated; not tracked by practice area.
- **Revenue confidence: medium.** ~\$750K from HubSpot data — verify on call.

Why This Marketing Package

What it does for him:

- Turns 136 Google reviews into LSA qualification and top-of-page placement — highest review count in market.
- Builds Germantown-specific landing pages Snider & Horner has and Bradley Law does not.
- Creates first measurable new-client pipeline Anthony has never had in 28 years of practice.

Full Service Marketing — Starter | \$4,847/mo bundled

- Revenue \$500K-\$1M (medium confidence) — Starter correct. Verify on call.
- Website rebuild needed: no geo pages, no confirmed redesign, site blocks automated tools.
- Ad spend \$14K exceeds \$7K Starter cap — 10% overage (\$700/mo) applies above cap.

Why This Coaching Package

What it does for him:

- Builds intake process and financial visibility so more clients means more profit, not just more hours.
- Peer accountability with Stage 3-to-4 law firm owners navigating the same transition.

Elite Coach Plus | \$3,200/mo bundled

- Revenue \$400K-\$1M, team under 5 — Elite Coach Plus is the correct tier.
- Focus: intake design, team hiring, financial visibility — all three are explicit transcript pain points.
- No FCOO yet — team too small. Revisit at Phase 2 when 15+ inquiries/month confirmed.

Why This Ad Spend

What it does for him:

- Converts 28-year credibility into a measurable new-client pipeline — for the first time.
- Reveals which practice area (estate planning vs. VA vs. probate) drives the most profitable cases from paid channels.

Recommended Ad Spend Range:

- **Conservative:** \$3,500/mo — PPC \$1,500 + LSA \$1,000 + Meta \$1,000.
- **Aggressive:** \$14,000/mo — 10% overage applies above \$7K cap (net +\$700/mo). Total: 30% of revenue.

ROI Estimates (not guaranteed):

- **Conservative:** ~22 leads x 15% close x \$3,500 avg. = ~\$10,500/mo vs. \$3,500 spend = ~3x.
- **Aggressive:** ~107 leads x 15% close x \$3,500 avg. = ~\$52,500/mo vs. \$14,000 spend = ~3.75x.

Close rate = 15% default (not stated). Case value = blended practice area default. All estimates.

If He Pushes Back

"I'm fully booked — I don't need more leads."

Fully booked at 2 people is a capacity ceiling, not a growth ceiling. Marketing + coaching work together: marketing generates cases; coaching builds the team and systems to handle them at higher margins.

"The cost feels high."

Conservative: 3 cases/mo at \$3,500 avg. = \$10,500 new revenue vs. \$8,047 management fee — net positive from month one. Bundle saves \$1,147/mo vs. stand-alone pricing.

"I tried ads before and they didn't work."

136 reviews + VA Accredited Attorney credentials = two differentiators most estate planning firms don't have. Failure mode for most law firm ads: weak website and no LSA. We rebuild both. First 90 days generates case-level data to prove the channel.
