Prospect Snapshot

Nkiru Anyanwu, LL.M	~\$500K est. (unconfirmed)	1 (solo)	Stage 3	15% default	Calgary, AB

Dominant Buying Motive: FREEDOM THROUGH SYSTEMS

Nkiru wants NK Law Office to run predictably so she can serve her community without being buried in admin and intake.

"No discovery call transcript available. Proposal call June 11, 2026. DBM inferred from firm profile — confirm on call."

What she wants:

- **Online visibility.** Website not indexed by Google — wants clients to find her when they search.
- **Systems that work without her.** Solo practice — does everything personally; wants delegation-ready infrastructure.
- **Community leadership.** Positioned uniquely for Calgary's immigrant community through her international LL.M and advocacy background.
- **Predictable revenue.** Referral-only income is unpredictable — wants consistent inbound client flow.

What is stopping her:

- **Zero online presence.** Not indexed by Google; no ads, no GBP reviews, no directories.
- **Solo bottleneck.** Intake, casework, admin — all run through one person.
- **No intake system.** After-hours inquiries go unanswered; no follow-up for unconverted leads.
- **No financial tracking.** Revenue by practice area unknown — strategic investment decisions impossible.

Why This Marketing Package

What it does for her:

- NK Law Office goes from invisible to front-page — criminal defense, immigration, and family law searches in Calgary return her firm.
- Referrals can now verify her credentials online before calling — converted, not lost.
- Rebuilt, indexed website with above-the-fold conversion turns traffic into signed clients.

Full Service Marketing — Starter | \$4,847/mo bundled

- PI and criminal defense require minimum Starter — Essentials not eligible.
- Revenue \$400K–\$1M band — Starter is correct tier.
- Website not indexed, blog 404, no directories — full rebuild needed.
- Zero paid ads on any channel — Google Ads, LSA, and Meta launching from scratch.

Why This Coaching Package

What it does for her:

- Nkiru gets a framework for building NK Law Office — not just practicing law, but growing a firm that creates lasting independence.
- Weekly sessions provide accountability for the firm-building decisions solo founders most often get wrong.
- Masterminds connect her with attorneys at the same stage — reducing isolation, accelerating growth.

Elite Coach Plus | \$3,200/mo bundled

- Revenue \$400K–\$1M, team under 5 — Elite Coach Plus is correct tier.
- Solo founder needs firm-building framework, not just tactical support.
- Intake system design and first hire planning are Phase 1 priorities.

Why This Ad Spend

What it does for her:

- Puts NK Law Office in front of high-intent Calgary searchers immediately while organic SEO builds.
- Conservative: ~10 cases/mo at \$40K est. revenue vs. \$7,500 spend = 5x return from day one.

Recommended Ad Spend & ROI Estimates:

- **Conservative \$7,500/mo:** ~10 cases x \$4,000 avg. = \$40,000 est. revenue. ~5.3x return.
- **Aggressive \$25,000/mo:** ~41 cases x \$4,000 avg. = \$164,000 est. revenue. ~6.6x return.

Estimates. Case value uses practice area defaults — confirm June 11. Not guaranteed.

How calculated:

- **Conservative:** Criminal PPC \$2K + LSA \$1K + immigration PPC \$1.5K + LSA \$1K + Meta \$500 + family \$1.5K = \$7,500.
- **Aggressive:** \$1M goal x 20% / 12 x Tier 2 (1.3x) = \$21,667. Reverse math higher at \$25,000.
- At aggressive: \$33,047/mo total = 39.5% of \$500K est. revenue — confirm actual revenue June 11.

If She Pushes Back

"I am not sure I am ready to invest this much right now."

The real cost is inaction. Cameron Horne (same building) has 543 reviews and ranks above you at your own address. Strategic Criminal Defence has 700+ reviews and runs ads on every channel. Every month without a system widens the gap.

"I get most of my clients from referrals — why do I need paid marketing?"

When a referral Googles your name to verify you, they may not find you — your website is not indexed. Every referral you earn is at risk of losing confidence before they call.

"Can we start with just marketing and add coaching later?"

Marketing without coaching is how firms end up busy without getting better. You also save \$1,147/mo by bundling — the discount alone funds nearly half a month of coaching.
