Prospect Snapshot

Owner	Revenue	Team	Stage	Close Rate	Location
Melissa Moy	\$20K-\$30K/mo (~\$300K/yr est.)	Solo (1)	Stage 3	15% (default)	Gilbert & Mesa, AZ

Dominant Buying Motive: FREEDOM (BUILD TO DELEGATE)

Melissa wants a practice stable enough to finally hire her first full-time employee — so she is no longer the only person running every part of it.

What she wants:

- **Hire her first full-time employee** — her \$60K/mo goal exists to make that possible.
- **Stop running everything alone** — intake, casework, and vendors across two locations.
- **Consistent \$30K/mo** before scaling further, not just occasional good months.
- **A hire that actually sticks** — her one prior hire attempt didn't work out.

What is stopping her:

- **Three uncoordinated vendors** — self-managed Ads (\$1,000/mo), SEO (\$800/mo), referrals, no shared tracking.
- **NAP inconsistencies** — two phone numbers, two location listings undermine local search.
- **No intake system beyond herself** — no after-hours coverage, no follow-up sequence.
- **No documented systems for a hire** — the \$80K/yr BD hire was let go after 4 months, 1 client.
- **No profit visibility** across her four practice areas.

Why This Marketing Package

What it does for her:

- Replaces three disconnected vendors with one coordinated, trackable system.
- Fixes the NAP and trust gaps undermining every dollar already spent.
- Builds visibility to compete with Affordable Legal Document Specialists, AZ Legal Documents LLC, and Legal Document Prep.

Full Service Marketing — Starter | \$4,997/mo bundled

- ~\$300K/yr is under \$750K, but multi-practice-area + two locations hide Essentials regardless of revenue — Starter is the floor.
- Starter includes up to 2 GBP locations — matches Gilbert + Mesa exactly.
- Starter's \$20,000/mo ad cap comfortably covers the \$6,700-\$14,300 recommended range.
- She wants to replace scattered vendors with one program — Full Service (not ads-only) fits.

Why This Coaching Package

What it does for her:

- Outside accountability for hitting \$30K, then \$60K/mo — not just marketing execution.
- Helps her build the documented systems her last hire didn't have to plug into.
- Connects her with other owners facing the same solo-operator bottleneck.

Elite Coach | \$2,600/mo bundled

- ~\$300K/yr falls in the \$250K-\$400K band -> Elite Coach, not Elite Coach Plus (\$400K-\$1M band).
- FCOO / FCFO / Master's Circle excluded — revenue is under the \$500K / \$1M minimums.
- Cheapest coaching tier keeps mgmt-fee total to \$7,597/mo — already tight against current revenue.
- Her one non-Melissa hire failed without a system — coaching builds that system first.

Why This Ad Spend

What it does for her:

- Converts three vendor relationships and a \$1,000/mo self-managed budget into one tracked program.
- Gets her from hoping to hit \$30K/mo to a modeled path that gets her there through ads alone.

Recommended Ad Spend Range:

- **Conservative:** \$6,700/mo — channel minimums (PPC \$3,500 + LSA \$2,000 + Meta \$1,200).
- **Aggressive:** \$14,300/mo — reverse-math from her \$30K/mo goal (higher than the \$2,803 20%-rule figure).

Estimated Return on Investment:

- **Conservative:** 9 cases x \$1.35K avg = \$12.2K/mo vs. \$6.7K spend = 1.75x return.
- **Aggressive:** 22 cases x \$1.35K avg = \$29.7K/mo vs. \$14.3K spend = 2.1x return.

All figures are estimates. Not guaranteed.

How the range was calculated:

- **Conservative:** PPC \$3,500 + LSA \$2,000 + Meta \$1,200 = \$6,700 (Family Law/Estate/Business Law minimums).
- **Aggressive (used, reverse math):** 22 target cases ÷ 15% close rate = 148 leads x \$97 blended CPL = \$14,300.
- At aggressive: \$21,897/mo total = 36.5% of her \$60K/mo goal — just over the 35% cap. Start conservative (23.8%) and scale up.

If She Pushes Back

"I'm already paying \$2,000/mo across Ads, SEO, and hosting — why pay more?"

Those vendors aren't coordinated and nothing tracks what's converting. Full Service replaces all three with one accountable program — even conservative ad spend is sized to her practice mix, not an upsell.

"My last hire didn't work out — why would coaching help?"

The BD hire failed without a system to plug into. Elite Coach builds that system now, so the next hire has something real to step into.

"This is a big jump from where I am now."

Start at the conservative end (\$6,700/mo). The plan scales as revenue grows past \$40K, then \$60K/mo — not starting there.
