Dominant Buying Motive: FREEDOM

She wants a firm that runs without her in every case, so she has space and energy for other things.

> *"It should be scaled to the level that I'm not needed in every case."*

> *"...so that I have some energy to devote to some other things that are of interest... so that it gives me a little bit space and freedom."*

> *"Allow me to focus on other things that I'm better at."*

What she wants:

- **Branding and brand voice.** She calls branding her biggest challenge right now.
- **The animated video series.** She raised it 3-5 times and it is why she came to us.
- **Predictable lead flow.** She wants a framework to see her options.
- **One simple answer.** She wants one package and to be done, not pieced together.
- **Associate attorneys.** She wants a couple of attorneys so she can focus elsewhere.

What is stopping her:

- **Referral-only leads.** She has done no marketing, so lead flow is unpredictable.
- **She is the whole firm.** One assistant plus contract help, and she works 30+ hours a week.
- **No set budget.** She wants value, not the cheapest price.
- **Uneven revenue.** Months swing around the average and there is no bookkeeper yet.
- **A weak website role.** The site only verifies referrals, and her consulting site may outrank it.

Why This Package

What it does for her:

- Gives her a second source of clients so quiet months stop making her nervous.
- Gives her a coach to work through her options and the order of her first hires.
- Keeps the start small and simple, which fits a solo attorney with no set budget.

Coach Essentials Plus | $2,497/mo stand-alone

- **Locked by seller:** Randy swapped to this on 10/26. Group coaching plus a monthly 1:1 call.
- **Fits on revenue:** About $300K sits in the $250K-$400K band for the lower-cost coaching option.
- **FLAG, not asked for:** She never discussed coaching or LSAs. Pitch it as our recommendation, not her request.

LSA Management Add-On | Complimentary ($900/mo value)

- **FLAG, fee waiver:** The $0 fee is Randy's call, not a catalog price. Confirm sales-ops approval.
- **FLAG, video:** The animated series is not in this package. Brand Video is a separate $4,997 add-on. Address it on the call.

Why This Ad Spend

What it does for her:

- Puts her in front of Fresno people searching for a criminal defense lawyer right now.
- Gives her a trackable lead source she pays for only when a prospect calls.

Recommended Ad Spend Range:

- **Conservative:** $2,000/mo — Randy's minimum, equal to the criminal defense LSA channel minimum.
- **Aggressive:** $2,500/mo — FLAG: derived ceiling. Randy gave none; the $5,000 total-spend limit minus the $2,497 fee leaves ~$2,500. Confirm it.

Estimated Return on Investment:

- **Conservative:** 2.6 cases x $4K = ~$10.4K/mo vs. $2K spend = 5.2x return.
- **Aggressive:** 3.9 cases x $4K = ~$15.6K/mo vs. $2.5K spend = 6.2x return.

All figures are estimates. Not guaranteed. Case value ($4K) is a criminal defense default and the 25% close rate is a planning figure; neither was confirmed on the call. Warm-referral conversion will not carry over to cold paid leads.

How the range was calculated:

- **Conservative:** $2,000 ÷ $192 per lead (LSA midpoint $160 + 20% cushion) = 10.4 leads x 25% close rate = 2.6 cases.
- **Aggressive:** $2,500 ÷ $160 per lead = 15.6 leads x 25% close rate = 3.9 cases.
- Total at aggressive: $4,997/mo = 20.0% of $25K revenue. Under the 35% cap. FLAG: $2,000 is under the $3,000 paid-ads minimum, so paid ads team review is needed.
- LSA alone will not reach her likely $600K goal (2x current, default). Phase 2 adds web and local search.

If She Pushes Back

"Is a solo attorney too small a client for this?"

She asked this at 00:07:51. This plan is sized for a solo firm around $300K. Her credentials (Certified Criminal Law Specialist, 13,000+ courtroom appearances) are the asset we build on.

"I don't have an actual budget, and I don't want to piece it together."

One $2,497/mo coaching plan, with the LSA management fee waived. Ad spend is separate and starts at $2,000. Total stays well inside 35% of her revenue.

"I want to see the animated work reflect me before I commit."

Be upfront: the animated series is not part of this package, and coaching does not build her brand voice. Video can be scoped separately. Do not promise it in this proposal.
