## Prospect Snapshot

| Owner           | Revenue      | Team     | Stage   | Close Rate | Location          |
|-----------------|--------------|----------|---------|------------|-------------------|
| Mahsa Mohkamkar | ~\$600K est. | 9 people | Stage 4 | 40.7%      | Schnecksville, PA |

## Dominant Buying Motive: SCALE AND DOMINATE

**Vivid Vision: \$1M Year 1, \$3M Year 2, \$7M Year 3 — build a multi-attorney firm that runs itself.**

*"Marketing budget was decreased for case types that are referred out"*

*"~30% of leads (removal/detainee) are referred out — no attorney with that specialty"*

### What she wants:

- **Hit \$1M in Year 1.** Explicit three-year targets: \$1M, \$3M, \$7M — not aspirations.
- **Stop giving away 30% of leads.** Hire a removal defense attorney, capture that revenue in-house.
- **Freedom from operations.** Hasn't opened client emails in 3 months — wants same at the attorney level.
- **Bilingual market dominance.** Serve the Lehigh Valley's Spanish-speaking immigrant community better than any English-only competitor.

### What is stopping her:

- **No paid lead system.** Firm not appearing in local search or paid ads for Allentown immigration searches.
- **Geographic gap.** Schnecksville is 15 miles from Allentown; no city landing pages = underperforming paid and organic.
- **NAP inconsistency.** Two phone numbers across directories suppressing local pack ranking despite 96 reviews.
- **Intake gap.** Karen books 66%; Gabby books 26.7% — 40-point gap on the same leads.
- **Solo attorney bottleneck.** Revenue ceiling = Mahsa's personal bandwidth until second hire.

## Why This Marketing Package

### What it does for her:

- Places Abogada Vida in front of Allentown's Spanish-speaking community in English and Spanish — on Google, LSA, and Meta — before they call a competitor.
- City-specific landing pages close the Schnecksville/Allentown geo gap; LSA enrollment activates the 96-review advantage at the top of Google.

### Full Service Marketing — Starter | \$4,847/mo bundled

- ~\$600K revenue places firm in \$400K–\$1M band — Starter tier correct.
- Website rebuild needed: 14-sec load, no city pages, no above-fold form.
- Spanish multiplier (1.33x) applied — bilingual campaigns required for \$1M goal.
- Stand-alone \$5,697/mo — saves \$850/mo bundled.

## Why This Coaching Package

### What it does for her:

- Weekly accountability to the \$1M target — intake coaching, KPIs, and a structured attorney hiring plan.
- Closes the Karen/Gabby 40-point booking gap through call review and structured performance coaching.

### Elite Coach Plus | \$3,200/mo bundled

- \$400K–\$1M revenue band — Elite Coach Plus is the correct tier.
- Weekly group coaching, masterminds, quarterly workshops, annual in-person.
- Stand-alone \$3,497/mo — saves \$297/mo bundled.

## Why This Ad Spend

### What it does for her:

- Generates estimated 32–90 immigration leads per month from paid channels alone — adding pipeline on top of the organic and referral base that already exists.
- At 40.7% close rate and ~\$5,250 avg case value, conservative spend alone projects ~\$68K/mo in new revenue — more than the firm's best month on record.

### Recommended Ad Spend Range:

- **Conservative:** \$4,000/mo — immigration channel minimums x 1.33 Spanish multiplier.
- **Aggressive:** \$9,000/mo — at Starter tier cap; Growth tier upgrade needed to scale further toward \$1M goal.

### Estimated ROI:

- **Conservative (\$4K/mo):** ~32 leads x 40.7% = ~13 cases x \$5,250 = ~\$68K/mo | ~17x ROAS.
- **Aggressive (\$9K/mo):** ~90 leads x 40.7% = ~37 cases x \$5,250 = ~\$194K/mo | ~22x ROAS.

*Estimates based on industry CPL averages and firm-stated close rate. Not guaranteed.*

### How calculated:

- **Conservative:** Immigration channel mins (\$3,200) x 1.33 Spanish multiplier = \$4,256 rounded to \$4,000.
- **Aggressive:** \$1M x 20% / 12 x Tier 4 x 1.33 Spanish = \$22,167 minus \$4,847 fee = \$17,320; capped at Starter \$9,000.
- Total at aggressive: \$17,047/mo = 34.1% of revenue — under 35% cap.

## If She Pushes Back

### "I already have systems — why do I need coaching?"

Case delivery works. Growth does not. Intake has a 40-point booking gap (Karen 66%, Gabby 26.7%), revenue swings \$36K–\$66K monthly, and no \$1M plan exists. Elite Coach Plus fixes all three.

### "Can ads work from Schnecksville for Allentown searches?"

Yes. Lehigh Valley Immigration Law LLC (2025, fewer reviews) already ranks and runs bilingual Allentown ads. City-specific landing pages and NAP fix close the geo gap. The 96-review advantage just needs to be activated.

### "\$8,047/month is a lot before the second attorney is hired."

Conservative ads project ~\$68K/mo in new revenue. Total with \$4K ads: ~\$12K/mo = 24% of revenue — under the 35% cap. Marketing generates the revenue that justifies the hire, not the other way around.

### "We can't serve removal cases yet — why market them?"

Family immigration and humanitarian campaigns launch first. Removal ads are added once the second attorney is hired — part of the coaching plan. Marketing funds the hire; the hire unlocks the next ad category.
