

CNK Law Firm, LLC (CNK Lawfirm)

Sales Companion | October 9, 2026 | Rep: Jacob Meissner

Prospect Snapshot

Owner	Revenue	Team	Stage	Close Rate	Location
Caroline Kanja	\$400K (2023)	Not stated	Stage 3	Not stated	Elkridge, MD

Dominant Buying Motive: FREEDOM

Caroline wants to move from attorney to CEO, with a healthy 40-hour week and the Japan trip with her family.

"Referral-based; no active marketing due to capacity constraints"

"healthy 40 hours/week"

"Japan plan"

What she wants:

- **A self-managing team.** Staff who deliver without her signature on every file.
- **A 40-hour week.** She works about 80 hours now.
- **The Japan trip.** A real vacation with her family.
- **\$1M+ in 12 months.** She stated \$1M+; Jacob said \$1.3M is achievable.

What is stopping her:

- **Everything routes to her.** She personally reviews and signs all legal work.
- **New, untrained staff.** Paralegals turn over every 4–5 months.
- **Growing volume.** 12–15 new clients a month, plus another firm's cases by October's end.
- **Referral-only growth.** No active marketing because the team has no capacity.
- **A blank website.** It is set to noindex and has no content or contact form.

Why This Coaching Package

What it does for her:

- Gives her a plan to hire, train and document so the team can carry the work.
- Turns her sign-off on every file into a final check, not the whole job.
- Moves her from attorney to CEO with peers who are a step ahead.

Elite Coach | \$2,600/mo bundled

- Revenue (about \$400K in 2023) sits in the \$250K–\$400K Elite Coach band.
- The call was coaching and operations led, not a marketing call.
- Seller override: Elite Coach instead of Elite Coach Plus.
- Includes weekly group coaching, masterminds and workshops.

Why This AI Package

What it does for her:

- Hands routine work to AI so her team and she spend less time on reminders and inbox.
- Gives her a low-cost, month-to-month first step into AI.
- Frees hours toward her 40-hour week.

AI Workforce Pro – Starter | \$350/mo bundled (1 user)

- The \$350/month AI software line item was discussed on the call.
- \$350 per user, 1–4 users; seat count assumed at 1 since team size is not stated.
- Includes a weekly AI Implementation Session and 1M AI credits per user.
- Confirm LAW delivery has launched before this goes in the proposal.

CNK Lawfirm — Sales Companion (continued)

Why No Marketing or Ad Spend Yet

What it does for her:

- Protects Caroline from more volume before the team can absorb it.
- Free quick wins (website, Google profile, reviews) fix visibility first.

What Was Left Out:

- **Marketing:** Seller override on October 1 dropped Full Service Marketing Starter.
- **Ad spend:** None scoped, so there is no ROI projection.

If Marketing Comes Back Later:

- Optional add-ons: Ongoing GBP Management \$500/mo; Done-For-You Review Generation \$500/mo.
- Revisit after the October caseload is absorbed and intake is documented.

No ROI figures are given because no ad spend is recommended.

Verify before the call:

- Review counts and ratings are unconfirmed, so quote none; Birdeye direct fetch showed 0 reviews.
- Page speed was not captured, and ad activity was not observable. Re-check live.
- Two phone numbers appear across listings: (443) 416-7835 and (667) 686-8463. Confirm the main one.

If She Pushes Back

"I am too busy to take on coaching."

Sessions are weekly and group-based. She is at 80 hours because every file routes through her, and coaching builds the standards that change that.

"My staff are new and may not stay."

Paralegals turn over every 4–5 months. The hiring plan and written workflows make each new hire productive faster.

"Why no marketing? I want more clients."

She said no marketing now because of capacity, and volume already grew from 8–10 to 12–15 a month. A blank, noindex website is the first free fix.

Investment At A Glance

Elite Coach

Weekly group coaching, masterminds, hiring plan and workflow documentation.

\$2,600/mo

~~\$3,497~~ stand alone

AI Workforce Pro – Starter (1 user)

AI for automation, reminders and inbox, with a weekly implementation session.
