Prospect Snapshot

Owner	Revenue	Team	Stage	Close Rate	Location
John Tatone	\$270K → \$500K proj.	3	4	15% (default)	Utica, MI

Dominant Buying Motive: FREEDOM

John wants a practice that runs without draining him personally — the same instinct that led him to automate call answering and lead nurturing after his 2023 hearing loss.

"Google LSA: Profitable."

"Access Legal / Unbundled Attorneys: ~3x ROI."

"Facebook Ads: Low ROI."

What he wants:

- **A practice that runs without him.** Not personally answering every call or chasing every lead.
- **Confidence the growth is real.** \$270K to \$500K should mean more profit, not just more overhead.
- **To close the visibility gap.** Stop losing searches to SSR Law Offices and Rutkowski Law Firm.
- **A structured team, not just automation.** Systems that replace his time, not just patch the gaps.

What is stopping him:

- **Only one channel converts.** LSA is profitable; Facebook is low ROI; Access Legal is 50/50 quality.
- **No fast way to convert website visitors.** No above-the-fold form, no live chat.
- **No manager beneath him.** A 3-person team with no accountability layer.
- **No profit plan.** Only channel-level ROI is tracked, not firm-wide margin.
- **Organic visibility trails badly.** 3-6 visitors/mo vs. a competitor's 166-1,100.

Why This Marketing Package

What it does for him:

- Turns Google LSA — already proven profitable — into a properly funded, managed system.
- Closes the visibility gap with SSR Law Offices and Rutkowski Law Firm.
- Gives the website a real path to convert visitors instead of losing them.

Full Service Marketing — Essentials | \$3,397/mo bundled

- Revenue is \$270K (2025) — squarely in the \$250K-\$400K Essentials tier band.
- LSA is already confirmed profitable — Essentials builds structure around a proven channel.
- Essentials has no stand-alone tier to compare against — it is SMB Team's entry bundled offering.
- Recommended ad spend (\$3,500-\$7,500/mo) stays within this tier's ad spend cap.

Why This Coaching Package

What it does for him:

- Builds the management layer and accountability structure the 3-person team lacks today.
- Gives John a system for turning revenue growth into an actual profit plan.
- Turns the automation he already built into a real operating structure.

Elite Coach | \$2,600/mo bundled

- Revenue is \$270K, within the \$250K-\$400K Elite Coach band.
- Stand-alone price is \$3,497/mo — bundling saves \$897/mo.
- No dedicated ops, marketing, or intake role rules out Master's Circle at this stage.
- Directly addresses the Team pillar's Red rating from the audit.

Why This Ad Spend

What it does for him:

- Scales the one channel already proven profitable instead of gambling on unproven ones.
- Builds the case volume needed to support the \$500K 2026 revenue projection.

Recommended Ad Spend Range:

- **Conservative:** \$3,500/mo — minimum viable spend to expand the LSA channel already working.
- **Aggressive:** \$7,500/mo — full budget aligned to the \$500K 2026 revenue goal.

Estimated Return on Investment:

- **Conservative:** ~3-4 cases x \$2.5K avg. value = ~\$9K/mo vs. \$3.5K spend = ~2.6x return.
- **Aggressive:** ~9-10 cases x \$2.5K avg. value = ~\$23K/mo vs. \$7.5K spend = ~3.1x return.

All figures are estimates based on industry averages — case value not stated on the call. Not guaranteed.

How the range was calculated:

- **Conservative:** Set at the Essentials tier ad spend cap for estate planning/probate — \$3,500/mo.
- **Aggressive:** Sized to the firm's own \$500K 2026 revenue goal — \$7,500/mo.
- Total spend at aggressive: \$13,497/mo (fees + ad spend) = 32.4% of the \$41,667/mo revenue goal. Under the 35% cap.

If He Pushes Back

"Facebook hasn't worked for us — why would this be different?"

Your Facebook spend has been branding-focused with low ROI by your own account — the plan shifts that same budget toward retargeting and educational content aimed at conversion, not just impressions.

"Our LSA is already working — why add more spend?"

LSA is your only channel confirmed profitable today, but SSR Law Offices (129 reviews, 4.9 stars) and Rutkowski Law Firm (166 reviews, 4.8 stars) are strong enough to compete for the same placements — expanding what's already proven is the lowest-risk way to grow.

"We're a lean 3-person shop — can we handle a coaching program on top of everything else?"

Elite Coach is built for exactly this stage — weekly coaching and masterminds designed for owner-operators, aimed at building the structure that reduces the load on John personally.

"How do we know the \$500K projection will actually be profitable?"

Right now profitability is only tracked at the marketing-channel level (LSA profitable, Access Legal ~3x, Facebook low ROI) — Elite Coach builds the firm-wide profit plan needed to confirm the number that matters.
