

Rivas Law Firm, PLLC

Sales Companion | August 17, 2026 | Rep: Nick Holderman

Prospect Snapshot

Owner	Revenue	Team	Stage	Close Rate	Location
Israel Rivas	\$1.5–2M gross	Solo + contract attys	3: Solo Practitioner	15% (default)	Pharr, TX (RGV)

Dominant Buying Motive: FREEDOM & DELEGATION

Israel wants to double revenue to \$3–4M while finally getting back the personal time that building this practice alone has cost him.

"Double revenue... driven by a desire for more personal time and delegation"

"\$3.3k/month budget is insufficient for a competitive PI market"

What he wants:

- **Double revenue to \$3–4M gross.** His stated growth goal.
- **Get his personal time back.** Growth is about delegation, not just money.
- **Stop being the bottleneck.** Every case depends on him personally.

What is stopping him:

- **Zero digital presence.** No Google, LSA, or Meta ads ever run.
- **Billboard spend, no ROI.** \$60K/yr produced ~5 cases last year.
- **Effective budget is tiny.** ~\$40K/yr actually available for digital.
- **No delegation.** Every case routes through Israel personally.

Why This Marketing Package

What it does for him:

- Turns years of reputation into a predictable digital pipeline, not just referrals.
- Gets the firm in front of the same Pharr/McAllen searches competitors already own.
- Builds the bilingual site needed to actually convert his own Spanish-speaking client base.

Full Service Marketing — Growth | \$7,497/mo bundled

- Revenue is \$1.5–2M/yr, placing the firm in the \$1M–\$2M Growth tier, not Starter.
- CRM's \$570K HubSpot estimate was wrong — corrected to Growth using the transcript's stated \$1.5–2M.
- Ad spend cap on Growth is \$50K/mo, well above the \$19.5K conservative recommendation.
- Package fees + conservative ad spend (\$30.2K/mo) sit comfortably under the 35% revenue cap.

Why This Coaching Package

What it does for him:

- Builds the delegation plan that finally gets casework and intake off Israel's plate.
- Connects him with other PI practice owners solving the same scaling problems.
- Gives him a structured path from solo practitioner to firm owner.

Elite Coach Plus | \$3,200/mo bundled

- Revenue is \$1M+ and team is under 5 (solo + contract attorneys) — matches Elite Coach Plus exactly.
- Coach Essentials and Essentials Plus are eliminated products, not eligible under any circumstance.
- FCOO/FCFO Advisor add-ons are reserved for Phase 2/3 once dedicated staff exist.
- Deliverables include weekly group coaching plus PI practice masterminds — targets his delegation gap directly.

Why This Ad Spend

What it does for him:

- Turns an unmeasured \$60K/yr billboard budget into trackable, optimizable digital spend.
- Gives Israel his first real data on cost-per-case, something he has never had.

Recommended Ad Spend Range:

- **Conservative:** \$19,500/mo — minimum viable spend across recommended channels (MVA/PI minimums).
- **Aggressive:** \$50,000/mo — Growth tier ad spend cap (see calc note below).

Estimated Return on Investment:

- **Conservative:** ~5-6 cases x \$7.5K = ~\$41K/mo vs. \$19.5K spend = ~2.1x return.
- **Aggressive:** ~17 cases x \$7.5K = ~\$127K/mo vs. \$50K spend = ~2.5x return.

All figures are estimates. Not guaranteed. Case value and close rate are PI/MVA defaults, not stated on the call.

How the range was calculated:

- **Conservative:** MVA/PI minimums: Google PPC \$10,000 + LSA \$2,000 + Meta Retargeting \$1,500 + Meta Lead Gen \$6,000 = \$19,500.
- **Aggressive:** 20% rule and reverse math both exceed \$50K, but Dominate tier needs \$2M+ revenue — so aggressive is capped at Growth tier's \$50K/mo ceiling.
- At aggressive, total spend hits ~36%-49% of revenue depending on where in the range — lead with conservative; aggressive is a ceiling to grow into.

If She Pushes Back

"\$100K a year is already a lot for marketing."

Only ~\$40K of that is actually digital-available. The rest funds billboards that produced ~5 cases last year, ~\$12K per case.

"My billboards have worked fine for years."

\$60K/yr for ~5 cases. Leah Wise (782 reviews) and Tijerina Legal Group (906 reviews) are winning this market digitally instead.

"I don't have staff to manage all this."

Elite Coach Plus builds the delegation plan first. AI staffing waits until Phase 3, once dedicated support exists.
