## Prospect Snapshot

| Owner       | Revenue         | Team    | Stage   | Close Rate       | Location      |
|-------------|-----------------|---------|---------|------------------|---------------|
| Ron Feinman | ~\$1.25M (2026) | 5 total | Stage 4 | 15%<br>(default) | Lynchburg, VA |

## Dominant Buying Motive: FREEDOM / WELL-OILED MACHINE

Ron wants a firm that runs without him — delegating 3–4 hours daily and growing to \$2.5M without adding to his personal workload.

*"Build a well-oiled machine that runs without Ron's constant intervention — specifically stated goal to delegate 3–4 hours of daily work."*

*"\$2.5M in 2027 is realistic with new staff — the primary bottleneck is staffing, not lead generation."*

### What he wants:

- **Freedom from the day-to-day.** Delegate 3–4 hours of daily work to a team he trusts.
- **A rebuilt legal team.** Paralegal now; 2 in-office attorneys for complex elder law work.
- **\$2.5M by 2027.** Hit the goal without adding personal hours to get there.

### What is stopping him:

- **Team is short-staffed.** Lost 2 attorneys recently — Ron now manages caseload, hiring, and operations simultaneously.
- **Hiring has no system.** Indeed and LinkedIn are not producing A-players for complex elder law; no structured process exists.
- **Invisible online.** 4 Google reviews, no 3-pack presence, no paid ads — growth depends entirely on uncontrollable referrals.

## Why This Marketing Package

### What it does for him:

- Leads come from people Ron has never met — generated by the system, not by Ron.
- The firm owns the local search position for elder law in Lynchburg before a competitor does.

### Full Service Marketing — Growth | \$7,397/mo bundled

- Revenue ~\$1.25M falls in the \$1M–\$3M Growth tier.
- No local firm confirmed running paid search ads for elder law in Lynchburg — first-mover window is open now.
- 4 Google reviews vs. Davies & Davies's 36 — review campaign + GBP is the fastest path to local pack visibility.

## Why This Coaching Package

### What it does for him:

- Ron gets a structured hiring system and a peer network that has navigated exactly this staffing transition.
- The firm builds accountability around the \$2.5M goal — team structure, not just revenue targets.

### Master's Circle | \$4,600/mo bundled

- Revenue \$1M+, team 5+ — meets Master's Circle eligibility.
- Call identified Fractional COO support as ideal fit — discuss FCOO Advisor as Phase 2 upgrade.
- 3 critical hires needed now; coaching provides hiring frameworks and accountability to fill these roles faster.

## Why This Ad Spend

### What it does for him:

- Generates clients from active searchers — no referral, no relationship required.
- Conservative scenario: est. 2–3 new cases/mo from \$3,500 spend before scaling up.

### Recommended Range & ROI (estimates, not guaranteed):

- **Conservative \$3,500/mo:** Google PPC \$1,500 + LSA \$1,000 + Meta \$1,000. ~3 cases x \$3K = ~\$9K/mo. ~2.1x return.
- **Aggressive \$14,000/mo:** Growth tier cap ( $\$2.5M \times 20\% / 12 = \$41,667$ , capped). ~12 cases x \$3K = ~\$36K/mo. ~2.6x return.
- Total at aggressive: \$25,997/mo = 25.0% of revenue. Under the 35% cap.

Case value: \$3,000 default (estate planning). Close rate: 15% default. Estimates only.

## If He Pushes Back

### "My main problem is staffing, not marketing — shouldn't we fix that first?"

Master's Circle addresses the hiring system directly. But marketing takes 60–90 days to ramp — starting now means leads arrive when the team is ready. Waiting means both problems stay unsolved.

### "Can we afford this on top of hiring costs?"

\$11,997/mo is 11.5% of \$1.25M revenue — under the 35% cap. Conservative ads project ~\$9K/mo in new case revenue on \$3,500 spend, partially offsetting the investment from month one.

### "We've grown to \$1.25M on referrals — why change now?"

Referrals can't be accelerated or targeted. Davies & Davies has 36 reviews and owns the local pack. Every online search for elder law in Lynchburg currently goes to them — not to Ron.
