Sales Companion | June 5, 2026 | Rep: Randy Gold

Prospect Snapshot

Owner	Revenue	Team	Stage	Close Rate	Location
Casey Hoyer	~\$3–4M est. (ZoomInfo)	10 staff	Stage 4	15% (default)	Lehi + St. George, UT

Dominant Buying Motive: FREEDOM

Casey wants a firm that runs without him — practicing law on his terms, with Analia owning operations.

"No transcript available. Inferred from website/directories. Confirm DBM, revenue, and case value on call."

What Casey wants:

- **Firm runs without him.** Analia is GM — needs formal authority and KPIs to make that real.
- **Predictable leads.** All organic today; wants a paid system that generates clients consistently.
- **Income clarity.** Two locations, 10 staff — needs profit visibility, not just revenue growth.

What is stopping him:

- **No paid ads.** Zero Google Ads, LSA, or Meta — Coillaw captures every paid click in the market.
- **Review gap.** Coillaw 308 reviews vs. Hoyer 139 — 3-pack disadvantage on every competitive keyword.
- **NAP errors.** 3 phone numbers + old address on YellowPages — suppressing rankings already earned.
- **GM not formalized.** Analia's role exists but no KPI structure or delegation framework confirmed.

Why This Marketing Package

What it does for Casey:

- First paid lead pipeline across Google, LSA, Meta, and Spanish — capturing traffic Coillaw takes every month.
- Fixes NAP errors and local SEO issues suppressing the rankings his 15-year reputation has already earned.

Full Service Marketing — Growth | \$7,397/mo bundled

- Revenue ~\$3–4M (ZoomInfo) — Growth tier for \$1M–\$3M+ range; confirm exact figure on call.
- No paid ads active — entering Google, LSA, Meta simultaneously maximizes early traction.
- Bilingual staff (Analia + Yasmeen) enables Spanish campaigns; no local competitor confirmed in Spanish.

Why This Coaching Package

What it does for Casey:

- Converts Analia's GM role into real operational leadership — a handoff path Casey can actually use.
- Builds the profit plan that ensures growth produces personal income, not just more overhead at two locations.

Master's Circle | \$4,600/mo bundled

- 10-person team, GM, financial specialist, case manager — qualifies for Master's Circle.
- No confirmed KPI or delegation framework — coaching bridges the gap from having a team to having a self-managing one.
- Includes weekly group sessions, masterminds, workshops, and 1:1 support for Casey and Analia.

Why This Ad Spend

What it does for Casey:

- Conservative \$10K/mo covers all channels immediately with minimal risk while campaigns prove out.
- Aggressive \$45K/mo pursues the 2x growth goal and stays under the Growth tier cap.

Recommended Ad Spend Range:

- **Conservative \$10,000/mo:** Family Law minimums — Google \$3,500 + LSA \$2,000 + Meta retargeting \$1,200 + Meta cold \$3,500.
- **Aggressive \$45,000/mo:** \$8M goal x 20% / 12 = \$133K. Tier 4 (1.0x) x Spanish (1.33x) = \$177K. Capped at \$45K.

Estimated ROI:

- **Conservative:** ~15 cases x \$10K = \$150K/mo vs. \$10K spend = ~15x (est., default case value).
- **Aggressive:** ~79 cases x \$10K = \$790K/mo vs. \$45K spend = ~18x (est., default case value).

Estimates. Confirm actual case value on call.

If He Pushes Back

"We already get clients through Google — why pay for ads?"

Organic gets you who finds you. Paid gets you who found CoilLaw first. CoilLaw has 308 reviews and a multi-location budget — every month without paid coverage is a month they extend their lead on the keywords Hoyer Law's reputation should be winning.

"Analia runs the office — do we really need coaching?"

Having a GM is the head start. Master's Circle formalizes her authority with KPIs and a delegation protocol — without that structure, every real decision still routes to Casey regardless of the title.

"The revenue estimate might be off."

ZoomInfo shows ~\$4M — unconfirmed. Even at \$1.5M, \$11,997/mo is under 10% of monthly revenue and well within the 35% cap. Confirm actual revenue and case value on the call.
