Dominant Buying Motive: SUSTAINABLE INDEPENDENCE

She wants a firm that runs on systems, not fear — so she stops taking cases out of desperation.

"Case volume dropped from ~25 to 10 active matters since April — financially unsustainable."

"Vision: hire full-time assistant and intake staff, purchase an office building. Two-year goal."

What she wants:

- **Predictable case flow.** Stop wondering if the phone will ring; plan from a real pipeline.
- **A team so she can step back.** Intake coordinator and assistant — once revenue is stable.
- **The building.** Office purchase requires consistent, forecastable profit — not referral luck.

What is stopping her:

- **No lead system.** 100% referrals; zero paid ads ever run; invisible in local search at 32 reviews.
- **No intake infrastructure.** Handles every call herself; no after-hours coverage; form below fold.
- **Revenue in contraction.** Down 60% from peak; unsustainable by her own description.
- **Scoping flag: Revenue under \$250K — scoping approval required before contract.**

Why This Marketing Package

What it does for her:

- Paid calls from people searching for a criminal defense attorney — starting week one.
- Website converts crisis visitors; review campaign builds toward LSA threshold.

Full Service Marketing — Essentials | \$3,397/mo bundled

- Revenue \$180K is under \$400K — Essentials is correct tier; no stand-alone retail price.
- Tampa paid search underdeveloped: only Fernandez confirmed running ads. Open market.
- Website rebuild needed (no above-fold CTA, no urgency language) — Full Service required.

Why This Coaching Package

What it does for her:

- Intake scripts and qualification process so paid leads convert — not just more calls.
- Hiring roadmap and accountability to bring on intake coordinator in the right sequence.

Elite Coach | \$2,600/mo bundled (saves \$897 vs. \$3,497 stand-alone)

- Revenue under \$400K — Elite Coach is correct tier per eligibility table.
- Docket Flow: 8 leads, 0 clients. Intake problem, not a lead volume problem. Coaching fixes this.
- Bundling saves \$897/mo vs. purchasing Elite Coach separately.

Why This Ad Spend

What it does for her:

- Conservative \$5,500/mo: ~24 leads, ~4 cases, ~\$14,000/mo new revenue. Est. 2.5x return.
- Aggressive \$7,500/mo: ~39 leads, ~6 cases, ~\$24,000/mo new revenue. Est. 3.1x return.

How the range was calculated:

- **Conservative:** Criminal Defense minimums: PPC \$1,500 + LSA \$1,000 + Meta \$700 + Spanish uplift = \$5,500.
- **Aggressive:** \$360K goal x 20% / 12 = \$6,000. Reverse math: 33 leads x \$190 CPL = \$6,270 -> \$7,500.
- CPL: \$190/call (Tampa criminal defense LSA). Close rate: 15% est. Avg case: \$4,000 est. Confirm on call.

All figures are estimates. Not guaranteed. Confirm average case value June 24.

If She Pushes Back

"The monthly fee is too high right now."

Conservative \$5,500 ad spend yields est. 3–4 cases/mo at \$4,000 avg = \$12,000–\$16,000 new revenue. Two additional cases/mo covers both packages. Staying at 10 cases means revenue keeps declining.

"I tried paid leads with Docket Flow — got nothing."

Docket Flow sends arrest-record leads who didn't search for an attorney. SMB Team targets people who type 'criminal defense attorney Tampa' after an arrest. High intent vs. cold outreach — completely different conversion profile.

"My reviews are only at 32 — will ads even work?"

Google Ads run independent of review count — page 1 visibility starts day one. LSA performance improves as the review campaign builds toward 75+. We run both simultaneously. Sammis (161 reviews) and Hanlon Law (61 reviews) started somewhere too.

"Can we skip coaching and just do marketing?"

8 leads and 0 clients on Docket Flow confirms an intake problem. More ads without an intake process repeats that result. Coaching delivers the qualification scripts and follow-up system that turns calls into signed cases.
