Prospect Snapshot

Owner	Revenue	Team	Stage	Close Rate	Location
Adam Kemp	~\$1M/yr (est.)	3 staff, 1.5 atty	Stage 3	15% (default)	Winter Haven, FL

Dominant Buying Motive: FOCUS ELSEWHERE

Adam wants Kemp Injury Law to run itself so he can put his full attention back into his primary development and construction businesses.

"side hustle"

"no measurable results"

"car accident lawyer near me"

What he wants:

- **30 signed cases a month.** Up from a pre-hack pace of 15-20/month, now at zero.
- **A real team.** 3 lawyers and 10 staff within 3-5 years, versus 3 staff/1.5 attorneys today.
- **To step back.** Free up time and attention for his primary development and construction businesses.
- **A marketing partner that delivers.** This is the third agency relationship — the first two didn't work either.

What is stopping him:

- **Website hack ~2.5 months ago.** Organic visibility collapsed.
- **Current agency underperforming.** PPC misses "car accident lawyer near me"; LSA/social show "no measurable results."
- **No leadership layer.** Only 3 staff, 1.5 attorneys — Adam is still the central operator.
- **No profit visibility.** No case value, dollar goal, or margin data.
- **Tough local competitors.** Brooks, Burnetti, and The Florida Law Group all outrank Kemp in search.

Why This Marketing Package

What it does for him:

- Rebuilds SEO, PPC, LSA, and social together instead of relying on a fourth underperforming agency.
- Restores the organic visibility the hack took down, on top of geo-pages the firm already has.
- Targets the exact "car accident lawyer near me" gap the current agency is missing.

Full Service Marketing Growth | \$7,497/mo bundled

- Revenue ~\$1M/yr (transcript-stated, corrected from a low-confidence \$570K HubSpot estimate) → \$1M-\$2M Growth band.
- PI + multiple practice areas (MVA, motorcycle, rideshare) exclude Essentials regardless of revenue.
- Existing-vendor override does NOT apply — current agency is failing; finding a replacement was the call's purpose.
- Growth tier's \$50,000 ad cap comfortably covers the \$35,800 aggressive recommendation.

Why This Coaching Package

What it does for him:

- Builds the leadership layer that lets the firm run without Adam in the room.
- Creates accountability toward the 3 lawyers/10 staff/30 cases-a-month target.
- Gives Adam a coaching structure so growth doesn't just mean more hours for him personally.

Elite Coach Plus | \$3,200/mo bundled

- Revenue \$1M+, team under 5 → Elite Coach Plus (Master's Circle needs 5+ dedicated staff).
- No profit-problem signal in transcript, so Fractional CFO not added on top.
- No AI/FCTO interest expressed — Legal AI Workforce not recommended yet.

Why This Ad Spend

What it does for him:

- Rebuilds the exact channels (PPC, LSA, Meta) that collapsed after the hack, this time actively managed.
- Targets the flagship "car accident lawyer near me" term and neighboring geo-terms the current agency is missing.

Recommended Ad Spend Range:

- **Conservative:** \$13,500/mo — minimum viable spend across recommended channels (PPC, LSA, Meta Retargeting).
- **Aggressive:** \$35,800/mo — full budget to hit growth goals, capped under the Growth tier's \$50,000 ceiling.

Estimated Return on Investment:

- **Conservative:** 3 cases x \$7.5K = \$22.5K/mo vs. \$13.5K spend = 1.7x return.
- **Aggressive:** 9 cases x \$7.5K = \$67.5K/mo vs. \$35.8K spend = 1.9x return.

All figures are estimates. Not guaranteed.

How the range was calculated:

- **Conservative:** MVA minimums: PPC \$10,000 + LSA \$2,000 + Meta Retargeting \$1,500 = \$13,500.
- **Aggressive:** \$2M goal (2x current rev.) x 20% ÷ 12 = \$33,333 x 1.3 Tampa DMA = \$43,333, minus \$7,497 fee = \$35,836.
- At aggressive: \$46,497/mo = 55.8% of current revenue (exceeds 35% cap) / 27.9% of goal revenue. >\$25K spend → scoping approval needed.

If He Pushes Back

"We've already tried three agencies — why different?"

Prior agencies ran ads/SEO in isolation. SMB bundles SEO, PPC, LSA, and social under one team, starting with the exact gap the current agency's own reporting shows: missing "car accident lawyer near me."

"That's a lot more than we're paying now."

It's a stretch against current ~\$83K/month revenue, but under 28% of the \$2M goal Adam is building toward — a year-one investment that shrinks as revenue grows.

"I don't have time to manage another vendor."

That's the problem this solves. Elite Coach Plus builds the leadership layer that takes day-to-day management off Adam's plate, not adds to it.
