Dominant Buying Motive: SCALE AND DOMINATE

David wants to be recognized as the undisputed #1 criminal defense firm in San Diego County — and to build a firm that generates consistent revenue whether or not he is personally present.

"Firm describes itself as 'one of San Diego's largest criminal defense law firms' — the ambition to dominate is built into the firm's public identity."

"12 consecutive Super Lawyers listings, BBB Torch Award for Ethics, 'San Diego's Most Influential People' 2022/2024/2025 — David is building a legacy brand, not just a practice."

What he wants:

- **Market dominance.** To be the recognized #1 criminal defense firm in San Diego County.
- **Scalable revenue.** Consistent case flow that does not depend on David personally handling every decision.
- **Legacy and freedom.** A documented, valuable firm he can scale, pass on, or sell on his terms.

What is stopping him:

- **No paid digital presence.** No Google Ads, LSA, or Meta Ads — competitors capture emergency searches while the firm relies on SEO and radio.
- **Review gap.** Sevens Legal: 800+ Google reviews vs. ~204 here — 4:1 gap suppressing local pack rankings.
- **Dead domain.** davidshapiro.com resolves to a 404 — all referrals to that URL are lost prospects.
- **Revenue unconfirmed.** No transcript — defaults applied. Confirm actual revenue on call to validate tier.

Why This Marketing Package

What it does for him:

- Puts the firm above Sevens Legal and Dod Law in Google at the moment of arrest — the highest-intent moment in criminal defense.
- LSA Google Screened captures pay-per-lead calls above all paid ads and map pack results.
- Retargeting keeps the firm visible to every prospect who visited the site but did not call.

Full Service Marketing — Starter | \$4,847/mo bundled

- San Diego Tier 2 market — \$60–\$150 CPCs; minimum viable paid presence is \$5,500/mo ad spend.
- Covers Google PPC, LSA, Meta Ads, SEO, and website CRO — all channels currently uncontested.
- Stand-alone \$5,697/mo; bundled saves \$850/mo. If revenue confirms \$1M+, upgrade to Growth tier.

Why This Coaching Package

What it does for him:

- Converts more of the new leads the marketing generates — better intake, higher close rates, no extra ad spend.
- Connects David with criminal defense attorneys who have scaled past this stage — peer learning from practitioners who solved these same problems.
- Builds the management accountability frameworks so the firm operates without David in every decision.

Elite Coach Plus | \$3,200/mo bundled

- Revenue \$400K–\$1M, 7-person team: Elite Coach Plus is correct tier per eligibility rules.
- Includes: weekly coaching, practice area masterminds, quarterly workshops, annual in-person event.
- Stand-alone \$3,497/mo; bundled saves \$297/mo. If revenue \$1M+, escalate to Master's Circle (\$4,600/mo).

Why This Ad Spend

What it does for him:

- **Conservative \$5,500/mo:** Activates Google PPC for criminal defense and DUI — captures highest-intent cases at the moment of arrest.
- **Aggressive \$22,000/mo:** Full-market presence across Google, LSA, and Meta — Sevens Legal-level digital investment.

Recommended Range + ROI (all estimates):

- **Conservative:** \$5,500/mo → ~25 leads x 15% close = ~4 cases x \$4K avg = \$16K/mo revenue. 2.9x return.
- **Aggressive:** \$22,000/mo → ~150 leads x 15% close = ~23 cases x \$4K avg = \$92K/mo revenue. 4.2x return.
- **Calculation:** \$1M goal x 20% / 12 x 1.3 Tier 2 = \$21,667. Reverse math (\$144 blended CPL x 139 leads) = \$20,042. Use \$22,000.

Estimates only. \$4,000 default case value (criminal defense midpoint). 15% default close rate. Not guaranteed.

If He Pushes Back

"We already do radio — why do we need digital ads too?"

Radio builds brand awareness for later; Google and LSA capture prospects at the moment of arrest. Someone arrested at 11pm searches on their phone — not a radio station. Both channels serve different moments.

"We have a great reputation — 4.9 stars, Super Lawyers. Why aren't we getting more clients?"

Reputation earns trust after the prospect finds you. With ~204 Google reviews vs. Sevens Legal's 800+, this firm is not in the local 3-pack. The reputation is real; the visibility system is not yet built.

"I'm not sure about the investment level."

Conservative scenario: \$13,547/mo total → ~4 cases/mo at \$4,000 avg = \$16,000 in projected revenue — 2.9x estimate. One retained felony at \$15,000+ pays for a full month of both packages.
