Prospect Snapshot

Owner	Revenue	Team	Stage	Close Rate	Location
Hadeel Aboutouk	~\$390K (est.)	2 (1 atty + 1 paralegal)	Solo Practitioner	15% (default)	Pleasant Hill, CA

Dominant Buying Motive: FREEDOM

Hadeel wants a firm that runs without her personally carrying every case, so she can step back from being the workhorse and be present for her 13-year-old daughter.

"a rollercoaster of revenue and stress"

"a well-oiled machine with predictable client flow"

"workhorse to owner/strategist"

What she wants:

- **Predictable client flow.** An end to relying on word-of-mouth and discounted ARAG referrals.
- **Owner, not workhorse.** Transition to strategist as the firm scales to 3 attorneys.
- **Time with her daughter.** Presence for her 13-year-old, not just billable hours.

What is stopping her:

- **No verified GBP.** Co-work space hasn't approved address verification yet.
- **Zero paid marketing.** Everything today comes from referrals alone.
- **She is the only attorney.** Every case runs through her personally.
- **Fragmented directory footprint.** Her name still points to her prior SF firm in 3 cities.

Why This Marketing Package

What it does for her:

- Replaces discounted ARAG referrals with full-value clients found through her own local search presence.
- Fixes the fragmented directory footprint currently sending prospects to her prior firm.
- Gives her a paid channel that isn't dependent on who happens to refer someone this month.

Full Service Marketing Essentials | \$3,497/mo bundled

- Single practice area + single location qualifies for Essentials — Starter would over-scope a 6-month-old, ~\$390K firm.
- GBP verification, directory NAP cleanup, and PPC + Meta Retargeting launch are all included at this tier.
- Ad spend cap for Essentials is \$5,000/mo — matches the range recommended below.

Why This Coaching Package

What it does for her:

- Builds the accountability and delegation systems needed before she can hire her first associate.
- Documents the intake and case-handling processes she currently carries entirely alone.
- Keeps her moving toward the 3-attorney structure without losing momentum to day-to-day casework.

Elite Coach | \$2,600/mo bundled

- Revenue estimate (~\$390K) falls in the \$250K–\$400K band — Elite Coach, not Elite Coach Plus (\$400K–\$1M).
- Team today is just Hadeel + 1 paralegal — no dedicated ops/marketing staff yet, so Master's Circle and FCOO tiers aren't eligible.
- FCOO Advisor is a Phase 2 roadmap add-on once revenue clears \$500K.

Iridium Law — Sales Companion (continued)

Why This Ad Spend

What it does for her:

- Even the conservative end of this range is projected to clear her own stated target of 4–5 new clients/month.
- Every dollar goes directly to Google and Meta — not to SMB Team — and stops the moment it isn't working.

Recommended Ad Spend Range:

- **Conservative:** \$4,700/mo — PPC (\$3,500) + Meta Retargeting (\$1,200), the channel mix that fits inside the Essentials \$5,000 ad spend cap.
- **Aggressive:** \$5,000/mo — the max the Essentials tier supports. The \$1.5M goal implies ~\$29,000/mo under the 20% rule, but that's a Phase 2/4 tier-upgrade ask, not Phase 1 for a 2-person firm.

Estimated Return on Investment:

- **Conservative:** ~44 leads x 15% close rate = ~6-7 cases x \$37.5K avg case value = ~\$225K/mo vs. \$4.7K spend = ~48x return.
- **Aggressive:** ~56 leads x 15% close rate = ~8 cases x \$37.5K avg case value = ~\$300K/mo vs. \$5K spend = ~60x return.

All figures are estimates. Not guaranteed.

How the range was calculated:

- **Conservative:** Family Law minimums: PPC \$3,500 + Meta Retargeting \$1,200 = \$4,700 (LSA's \$2,000 min would push PPC+LSA to \$5,500, over the Essentials cap).
- **Aggressive:** \$1.5M goal x 20% / 12 = \$25,000. Tier 2 (SF Bay Area, 1.3x) = \$32,500. Minus \$3,497 fee = ~\$29,003 implied — capped at the Essentials tier's \$5,000 max for this phase.
- Total spend at aggressive: \$6,097 fees + \$5,000 ad spend = \$11,097/mo = ~34.1% of ~\$32,500/mo estimated current revenue. Under the 35% cap.

If She Pushes Back

"Why not the higher marketing tier if my goal is \$1.5M?"

Her current revenue (~\$390K est.) and 2-person team qualify for Essentials today. Phase 2 upgrades the tier once revenue crosses \$500K and ad spend needs grow past the \$5,000 Essentials cap — this avoids over-scoping a 6-month-old firm.

"Can we skip GBP and go straight to ads?"

LSA eligibility requires a verified GBP, and PPC/Meta traffic converts better once the directory and NAP fragmentation across Avvo, Martindale, Super Lawyers, and Lawyers.com is fixed — GBP verification is the first 30-day priority for exactly this reason.

"I don't have time to manage coaching on top of casework."

Elite Coach is built around a weekly accountability rhythm, not more work for Hadeel — its purpose is documenting the processes she currently carries alone so she can eventually hand them off.

"Is \$6,097/month affordable at my revenue?"

At an estimated \$32,500/mo in current revenue, \$6,097 in fees plus up to \$5,000 in ad spend totals ~34% of revenue — under the 35% cap SMB Team never exceeds.
