Dominant Buying Motive: LEGACY & FREEDOM

Build a self-sustaining firm that creates a legacy for the Afghan community and enables semi-retirement in 8–10 years.

"Build a self-sustaining business to create a legacy and enable a semi-retirement in 8–10 years"

What she wants:

- **Revenue resilience.** Diversify away from Afghan-community-only leads so policy changes can't drop revenue 50–70% again.
- **A business, not a job.** Systems and a team so the firm earns without her daily presence.
- **Modern authority online.** A site and ads that match the 13-year reputation she has built.

What is stopping her:

- **No paid ads for 13 years.** Bad 2013 experience — but the market has changed entirely since then.
- **Unclaimed GBP.** 273 reviews at 4.6 stars earning zero local pack ranking credit.
- **Sole attorney.** All casework flows through Deeba — semi-retirement is structurally impossible today.

Why This Marketing Package

What it does for her:

- Diversifies lead flow across paid search, LSA, and Dari-language social — revenue no longer depends on any single community's political circumstances.
- Puts the firm at the top of Google (LSA + paid search) where Montagut & Sobral and Rodriguez Legal are currently the only visible options.

Full Service Marketing — Starter | \$4,847/mo bundled

- Revenue \$480K–\$960K/yr: squarely in the \$400K–\$1M Starter tier.
- Website rebuild needed: 6–8 years old, no Dari pages, no above-fold CTA, no review widget.
- LSA opportunity: 273 reviews at 4.6 stars qualifies for Google Screened today.

Why This Coaching Package

What it does for her:

- Provides the business model and accountability structure to translate growing revenue into a firm that eventually runs without her.
- Builds the profit framework and associate hiring roadmap needed to make semi-retirement a real date, not a wish.

Elite Coach Plus | \$3,200/mo bundled

- Revenue \$480K–\$960K/yr: Elite Coach Plus is the correct tier for this range.
- Team too small for Master's Circle (requires 5+ with dedicated staff).
- Immigration practice area mastermind aligns directly with her stated goals.

Why This Ad Spend

What it does for her:

- At conservative \$3,000/mo — adds ~5 signed cases/month (~\$22,500 revenue); 7.5x return on ad spend.
- At aggressive \$12,000/mo — adds ~22 cases/month (~\$99,000 revenue); puts \$1.5M goal within reach from ads alone.

Estimated ROI (15% close rate, \$4,500 ACV — all estimates):

- **Conservative (\$3,000/mo):** ~33 leads / ~5 cases / ~\$22,500 revenue / ~7.5x return.
- **Aggressive (\$12,000/mo):** ~150 leads / ~22 cases / ~\$99,000 revenue / ~8x return.
- **Conservative calc:** Immigration minimums: PPC \$1,000 + LSA \$1,000 + Meta \$1,000 = \$3,000.
- **Aggressive calc:** \$1.5M x 20% / 12 = \$25K. DC Tier 1 x 1.5 = \$37.5K. Capped at Starter \$12K max.

All figures are estimates. Not guaranteed.

If She Pushes Back

"I had a bad experience with ads in 2013."

That was 13 years ago — before modern targeting and conversion tracking existed. We see \$4,500+ ACV immigration cases returning 7–8x with managed campaigns today. The 2013 experience is not predictive.

"I can't afford this given where revenue is right now."

The conservative scenario adds ~\$22,500/mo for \$3,000 in ads — net positive from month one. The SMB fees are covered by 2 additional cases at \$4,500. The cost of not starting is Montagut & Sobral (345 reviews, active GBP) extending their lead every month.

"I'll think about it / need to talk to my accountant."

Rodriguez Legal (4.9 stars) and Federico Serrano (active paid ads on Anwari's keywords) are gaining ground every month. The GBP claim takes 30 minutes and costs nothing — that starts today regardless of the full decision.
