Dominant Buying Motive: FREEDOM + IMPACT

Karla wants to serve more of Minnesota's Latino immigrant community without burning out — and build a firm that validates 16 years of bilingual legal practice.

"No transcript available. DBM inferred from firm context and 16-year bilingual solo immigration profile. Verify on May 22 call."

What she wants:

- **More clients, not more hours.** A system that brings the community to her, not the other way around.
- **Market recognition.** Known as Minnesota's go-to Spanish-speaking immigration attorney.
- **Time back.** A firm that runs when she's not in the room — no more single point of failure.
- **Financial return.** Profit that grows independently of personal hours billed.

What is stopping her:

- **Zero reviews.** 0 verified reviews vs. 68–118 for top competitors — invisible in local search and LSA.
- **No paid ads.** All high-intent Google, LSA, and Meta traffic goes to competitors.
- **Solo intake.** Every inquiry routes to Karla personally — caps capacity at one attorney's hours.
- **Dual-domain issue.** santiagolegalservices.com vs. santiagolegalgroup.com actively suppresses local SEO.

Why This Marketing Package

What it does for her:

- Puts Santiago Legal in front of Spanish-speaking immigrants searching right now and finding competitors instead.
- Closes the review gap with Capriotti (118) through systematic GBP optimization and review generation.
- Activates 16 years of bilingual expertise at scale — community finds her, she doesn't have to find them.

Full Service Marketing — Starter | \$4,847/mo bundled

- CD listed on Avvo; Minneapolis is high-competitiveness CD market → Essentials hidden; Starter is minimum eligible tier.
- Spanish-language campaigns are a structural differentiator no English-only competitor can replicate.
- GBP review generation is LSA prerequisite — without reviews, firm cannot appear above all organic results.
- Website rebuild required — no CTA above fold, dual-domain issue, no practice area pages → full service only.

Why This Coaching Package

What it does for her:

- Builds the intake process so Karla can handle marketing leads without burnout.
- Dedicated growth coach to guide the solo-to-firm-leader transition.
- Financial baselines and profit tracking that turn revenue growth into real income growth.

Elite Coach Plus | \$3,200/mo bundled

- Revenue estimated \$400K–\$1M for 16-year solo boutique — correct tier for this stage.
- Under \$500K revenue means fractional COO/CFO products are hidden; Elite Coach Plus is the fit.
- Intake system design and first hire framework are immediate deliverables that unlock marketing ROI.
- Includes weekly group coaching, masterminds, quarterly workshops, one annual in-person workshop.

Why This Ad Spend

What it does for her:

- Activates the Spanish-language search market immediately — qualified immigration leads arriving within days of campaign launch.
- Generates the review volume needed for LSA qualification, unlocking the highest-visibility ad position on Google over time.

Recommended Ad Spend Range:

- **Conservative:** \$8,000/mo — minimum viable spend across Google PPC (\$3,000), LSA (\$2,000), and Meta Lead Gen (\$3,000).
- **Aggressive:** \$15,000/mo — scaled bilingual campaigns across all channels; subject to revenue confirmation on proposal call.

Estimated Return on Investment:

- **Conservative:** 82 leads x 15% close = 12 cases x \$3,750 avg = \$45,000/mo vs. \$8,000 spend = 5.6x return.
- **Aggressive:** 185 leads x 15% close = 28 cases x \$3,750 avg = \$105,000/mo vs. \$15,000 spend = 7.0x return.

All figures are estimates. Not guaranteed. ACV uses immigration practice area default (\$3,000–\$4,500) — confirm actual ACV on proposal call.

How the range was calculated:

- **Conservative:** Immigration minimums: Google PPC \$3,000 + LSA \$2,000 + Meta Lead Gen \$3,000 = \$8,000.
- **Aggressive:** \$800K goal x 20% / 12 = \$13,333. Tier 2 (1.30x) = \$17,333. Spanish (1.33x) = \$23,053. Minus \$4,847 fee = \$18,206; presenting \$15,000 pending revenue confirmation.
- 35% cap check: confirm actual revenue on May 22 call before finalizing ad spend commitment.

If She Pushes Back

"I already get clients through word of mouth."

Referrals are a ceiling. Capriotti has 118 reviews; Dyan Williams runs bilingual podcasts targeting your exact audience. The community you want to serve is searching right now — the question is whose name they find.

"I'm not sure I can afford this right now."

Conservative scenario: \$8,000 ad spend → 12 cases x \$3,750 = \$45,000/mo revenue = 5.6x return on ad spend. The \$8,047 SMB investment is the infrastructure that generates those returns.

"I don't have a team to handle more leads."

Elite Coach Plus solves exactly this in the first 90 days — intake system and first hire framework before the lead firehose turns on.

"My website is already bilingual."

The bilingual foundation is a real advantage — but no CTA above fold, no practice area pages, and the dual-domain NAP issue (santiagolegalservices.com vs. santiagolegalgroup.com) are actively suppressing SEO. The foundation is strong; the conversion layer is not built yet.
