

Law Offices of Jason L. Ablove

Sales Companion | July 29, 2026 | Rep: Jonathan Farace

Prospect Snapshot

Owner	Revenue	Team	Stage	Close Rate	Location
Jason Ablove	~\$1.2M-\$1.4M/yr	2 (owner + 1 attorney)	3: Solo	15% (default)	Garden City, NY

Dominant Buying Motive: GROW & SELL

Jason wants to turn a 30-year personal practice into a sellable asset, valued at a 1.25x-revenue multiple, that creates optionality for retirement or reduced hours.

"from a personal practice into a sellable asset"

"creates optionality for retirement or reduced hours"

"a \$5M firm → \$6.25M sale"

What he wants:

- **A sellable firm, not just a bigger paycheck.** He is targeting a 1.25x-revenue exit valuation.
- **A profitable criminal defense line.** His new hire needs case volume, not more time.
- **Optionality to step back.** Reduced hours or retirement, on his terms.
- **Out of the intake seat.** He personally answers every call today.

What is stopping him:

- **No formal marketing system.** The firm runs on referrals and a single Yelp review.
- **Zero digital presence for criminal defense.** The practice area he just hired for has no page, no content, no ads.
- **No CRM or intake process.** Pen and paper, no tracked follow-up.
- **Maxed-out personal credit line.** Despite ~50% margins on ~\$1.2M-\$1.4M revenue.
- **A major competitor next door.** Barket Epstein Kearon Aldea & LoTurco sits one floor away in his own building.

Why This Marketing Package

What it does for him:

- Gives the criminal defense hire a digital presence and case pipeline for the first time.
- Protects and grows the organic ChatGPT/referral advantage already working in employment law.
- Builds the demand-generation system a buyer will pay a premium for.

Full Service Marketing — Growth | \$7,497/mo bundled

- Revenue (~\$1.2M-\$1.4M/yr) places the firm in the \$1M-\$2M Growth tier band.
- Website rebuild required: no criminal defense page, 5+ year old stale content, PageSpeed unobtainable this pass.
- Two active practice areas (employment law + criminal defense) require Full Service, not a single-channel package.
- Ad spend range (\$5,500-\$22,000/mo) stays well under the Growth tier's \$50,000 cap.

Why This Coaching Package

What it does for him:

- Builds the profit plan protecting the margin his exit valuation depends on.
- Builds operational structure so the firm depends less on him personally.
- Gives him a system for making the criminal defense hire profitable.

Elite Coach Plus | \$3,200/mo bundled

- Revenue \$1M+, team under 5 (owner + 1 attorney) qualifies for Elite Coach Plus.
- No dedicated ops or intake staff — Master's Circle requires a 5+ team, not yet a fit.
- Maxed-out personal credit line despite ~50% margins signals a need for structured profit planning.
- Includes weekly group coaching, practice area masterminds, and quarterly workshops.

Why This Ad Spend

What it does for him:

- Gives the criminal defense hire the case volume needed to become profitable instead of a \$13K/month cost.
- Captures employment law searches currently ceded entirely to competitors running paid campaigns.

Recommended Ad Spend Range:

- **Conservative:** \$5,500/mo — Criminal Defense Google PPC minimum, the most urgent zero-presence gap.
- **Aggressive:** \$22,000/mo — approximates 20% of current annual revenue ÷ 12, well under the Growth tier's \$50,000 cap.

Estimated Return on Investment:

- **Conservative:** ~4 cases x \$4K = ~\$16K/mo vs. \$5.5K spend = ~2.9x return.
- **Aggressive:** ~21 cases x \$4K = ~\$84K/mo vs. \$22K spend = ~3.8x return.

All figures are estimates using the Criminal Defense case-value default (\$4,000, no figure stated on the call). Not guaranteed.

How the range was calculated:

- **Conservative:** Criminal Defense Google PPC minimum = \$5,500/mo.
- **Aggressive:** ~\$1.3M current revenue x 20% ÷ 12 ≈ \$22,000/mo (no explicit revenue goal was stated on the call).
- Total spend at aggressive: \$10,697 mgmt + \$22,000 ad spend = \$32,697/mo ≈ 28%-33% of monthly revenue. Under the 35% cap.

If He Pushes Back

"My new attorney just needs more time to build a caseload."

At \$13K/month with insufficient volume, waiting without a demand-generation plan just extends the loss — a dedicated criminal defense campaign is the fastest way to reverse it.

"I've built this on referrals for 30 years, why change now?"

Referrals and one Yelp review are driving your #3 ChatGPT ranking today — but Borrelli & Associates already has more reviews than you (39 Yelp / 49 Avvo vs. your 26), and criminal defense has zero track record to refer from at all.

"Can I really afford both marketing and coaching plus ad spend?"

Total investment is \$10,697/mo, plus \$5,500-\$22,000 in ad spend — even at the aggressive end that stays under the 35% cap, and you already described \$50K-\$75K as a comfortable starting investment.
