Prospect Snapshot

Owner	Revenue	Team	Stage	Close Rate	Location
Nate Hill	~\$500K/yr	Solo + contract	Stage 3	~15% (est.)	Chandler, AZ

Dominant Buying Motive: FREEDOM + LEGACY

Nate wants a firm that runs without him — and something he could one day leave to his son.

"Wants to stop operating day-to-day and start building an asset he owns."

"Fears long-term regret and missed opportunity."

What he wants:

- **Firm earns without him.** Income continues when he is not personally working cases.
- **Days off without fallout.** Stop being chased by emails; take time off without the firm stalling.
- **Legacy asset for his son.** Build something with real transferable value.

What is stopping him:

- **No marketing system.** 100% referral-dependent; no digital presence in any channel.
- **No team structure.** Solo with no full-time staff; every case flows through Nate.
- **No intake process.** 4-5 qualified leads/week arrive by voicemail; no triage or tracking.
- **No financial visibility.** No KPIs, no matter tracking, no profit plan.

Why This Marketing Package

What it does for him:

- Builds a lead engine that produces cases without Nate making a referral call.
- Sun State Legal enters searches where JacksonWhite and Houk Employment Attorneys currently win.
- Creates a website and digital presence that converts referral and paid traffic alike.

Full Service Marketing Starter | \$4,847/mo bundled

- Revenue ~\$500K: \$400K-\$1M Starter tier applies.
- Website rebuild required: single-page site, no practice area pages, no above-fold CTA.
- Full Service required when rebuild needed; ads to a thin site waste budget.
- Phoenix = Tier 2 market; employment law rewards active paid search and strong GBP presence.

Why This Coaching Package

What it does for him:

- Gives Nate the 3-year vision, quarterly KPIs, and accountability cadence he lacks.
- Structures the practitioner-to-entrepreneur transition he came to SMB Team to start.
- Collaborative, measured accountability — the exact style Nate described wanting.

Elite Coach Plus | \$3,200/mo bundled

- Revenue \$400K-\$1M, any team size: Elite Coach Plus is the correct tier.
- Nate wants 'organization, tools, systems' — no formal plan exists today.
- Weekly group coaching + mastermind provides structure and peer accountability.
- Annual in-person workshop + quarterly virtual sessions fit his lifestyle goals.

Why This Ad Spend

What it does for him:

- Puts Sun State Legal in front of high-intent employment searches — cases currently going to JacksonWhite and Shields Petitti & Zoldan.
- Employment matters at \$5K-\$15K+ mean even conservative ad results return multiple times the spend.

Conservative \$4,000/mo to Aggressive \$5,000/mo:

- **Conservative:** ~19 leads x 15% = 2-3 cases x \$5K = ~\$12K/mo | ~3x return. (Estimate.)
- **Aggressive:** ~29 leads x 15% = 4-5 cases x \$8K = ~\$36K/mo | ~7x return. (Estimate.)

Estimates only. Not guaranteed. Employment case values vary significantly.

If He Pushes Back

"I'm skeptical about the revenue potential from ads."

Anchor on what he said: 4-5 qualified voicemails/week going unanswered. At 15% close and \$5K avg, that is \$15K-\$20K/mo in cases already arriving that are going cold — before a dollar of additional marketing.

"I had a bad experience with a coach."

Elite Coach Plus is peer-based group coaching — not one-on-one pressure. Collaborative, measured approach; he sets the pace with attorneys at the same growth stage.

"Does paid search work for employment law?"

JacksonWhite (681+ Google reviews) and Shields Petitti & Zoldan (5.0 stars, PPC-optimized landing pages) are both running active paid search for employment keywords in Chandler. The channel works — he is just not in it.

"I'm not in a rush."

JacksonWhite has 681+ Google reviews growing every month. Local SEO takes 6-12 months to build. The urgency score for this market is 7/10 — competitors are actively dominating multiple channels and the gap widens every month without action.
