

# Durak Law — Michal Durakiewicz, Esq.

Sales Companion | May 28, 2026 | Rep: Dan Bryant

## Prospect Snapshot

| Owner              | Revenue                    | Team | Stage   | Close Rate  | Location     |
|--------------------|----------------------------|------|---------|-------------|--------------|
| Michal Durakiewicz | Unknown (est. \$400K–600K) | Solo | Stage 3 | 15% default | Franklin, TN |

## Dominant Buying Motive: FREEDOM / INDEPENDENCE

Michal wants a firm that generates and signs clients without requiring him at every step — so he can focus on law and have time and income that reflect a decade of building. (No transcript — confirm DBM on call.)

### What he wants:

- **Predictable lead flow.** A system that brings in clients — not just referrals and organic discovery.
- **Delegated intake.** New clients signed without the attorney handling every first conversation.
- **Real take-home income.** Revenue that grows with a profit plan behind it, not just more billing.

### What is stopping him:

- **No paid lead gen.** Competitors Freeman & Fuson and Rogers Shea are buying the top of the searches he needs.
- **Solo structure.** No team means every new client adds directly to the attorney's personal workload.
- **NAP inconsistency.** Old Avvo address suppresses local SEO authority built by the blog and landing pages.
- **Revenue unconfirmed.** All financials are estimated — confirm before presenting the aggressive ad spend tier.

## Why This Marketing Package

### What it does for him:

- Puts Durak Law at the top of Google for family law and DUI searches in Franklin — the searches competitors are currently winning without him.
- LSA activation means pay-per-lead, not pay-per-click — Google Screened trust signals and premium placement above organic results.

### Full Service Marketing Starter | \$4,847/mo bundled

- Revenue \$400K–\$1M: Starter is correct tier. Growth requires confirmed \$1M+.
- Family Law + Criminal Defense: no PI or top-10-metro blocks apply in Franklin TN.
- Website age ~5–6 years and NAP issues require full service, not ads-only.
- Stand-alone \$5,697/mo; bundled saves \$850/mo — anchor the savings clearly.

## Why This Coaching Package

### What it does for him:

- Builds intake and first-hire frameworks before marketing volume overwhelms a solo operation.
- Peer group of attorneys at the same stage — learning from people 6 months ahead is faster than figuring it out alone.

### Elite Coach Plus | \$3,200/mo bundled

- \$400K–\$1M, any team size: Elite Coach Plus is the correct non-marketing package.
- No dedicated ops or intake staff: Master's Circle not eligible regardless of revenue.
- Stand-alone \$3,497/mo; bundled saves \$297/mo on top of marketing savings (\$1,147 total).

## Why This Ad Spend

### What it does for him:

- Conservative \$5,500/mo: estimated 7–8 cases/mo, ~\$37,500 revenue, ~6.8x return — positive ROI from month one at 15% close rate.
- Aggressive \$14,000/mo: estimated ~18 cases/mo, ~\$81,000 revenue, ~5.8x return — scales with Family Law + Criminal Defense on all channels.

### Recommended Ad Spend Range:

- **Conservative:** \$5,500/mo — Family Law Google PPC \$3,500 + LSA \$2,000.
- **Aggressive:** \$14,000/mo — FL + CD across Google PPC, LSA, Meta Retargeting, and Meta Lead Gen.

### Estimated ROI (estimates only — not guaranteed):

- **Conservative:** 49 leads x 15% = ~7–8 cases x \$5,000 = ~\$37,500 vs. \$5,500 = ~6.8x.
- **Aggressive:** 121 leads x 15% = ~18 cases x \$4,500 = ~\$81,000 vs. \$14,000 = ~5.8x.
- 35% cap: conservative \$13,547/mo = 35% at ~\$464K annual. Aggressive = 35% at ~\$756K. Confirm revenue.

## If He Pushes Back

### "I get most of my clients from referrals — why pay for ads?"

Referrals are not a system. Jonathan Turner has 110+ Google reviews and a dedicated marketing site; Freeman & Fuson has duilawyerfranklin.com. Every search Durak Law misses is a client who never had a chance to become a referral.

### "I am not sure I can afford this right now."

Conservative scenario: \$13,547/mo total spend, estimated ~\$37,500 monthly revenue from ads — positive ROI if close rate holds at 15%. The cost of waiting is that Turner and Rogers Shea lock up the local pack while this market is still open.

### "I do not have a team to handle more clients."

That is what coaching addresses. Elite Coach Plus starts with intake and first-hire frameworks in the first 30 days — the structure is built before the volume arrives. Stage 3 is the starting point, not a disqualifier.
