Dominant Buying Motive: FREEDOM + LEGACY

Scott wants a firm that runs without him — and one that outlasts him.

"We are hired by eight out of every ten clients we meet with, and we are rehired or referred by our previous clients over fifty percent of the time. [Firm website — no transcript provided]"

What he wants:

- **Predictable lead flow.** A system that generates new clients beyond referrals.
- **Firm runs without him.** Team is in place — needs systems and documentation to match.
- **Legacy that lasts.** 60-year firm should dominate Rochester Hills online, not just by word of mouth.

What is stopping him:

- **No paid lead gen.** Not in Google Ads, LSA, or Meta — competitors capture every online search.
- **Unverified Google presence.** Avvo 4.9★ (150+ reviews) does not translate to Google Maps ranking.
- **Buried contact form.** Visitors scroll past the full homepage before finding a way to connect.
- **No process documentation.** Team exists but no confirmed SOPs — founder is still the operational hub.
- **No practice-area tracking.** Can't optimize spend without knowing which areas drive profit.

Why This Marketing Package

What it does for him:

- Puts Sumner PC at the top of Google for Rochester Hills family law and estate planning searches.
- Builds a 24/7 lead engine — referrals become a bonus, not the only source.

Full Service Marketing — Starter | \$4,847/mo bundled

- Google Ads: divorce, family law, estate planning, and injury terms — Rochester Hills and Oakland County.
- LSA: Google Screened verification included; AV Preeminent credentials accelerate approval.

- Website CRO: move CTA above fold, mobile optimization, GBP management.

Why This Coaching Package

What it does for him:

- Builds KPI tracking and accountability so the firm runs without Scott in every decision.

Why This Ad Spend

What it does for him:

- **Conservative \$7,500/mo:** 8 cases/mo x \$3,800 avg = ~\$30K new revenue. 4.0x estimated return.
- **Aggressive \$25,000/mo:** 30 cases/mo x \$3,800 avg = ~\$115K new revenue. 4.5x estimated return.

Recommended Ad Spend Range:

- **Conservative:** \$7,500/mo — family law + estate planning Google Ads; LSA included in marketing package.
- **Aggressive:** \$25,000/mo — full-funnel: Google Search, LSA, Meta lead gen, Meta retargeting.

All figures are estimates. Not guaranteed.

How the range was calculated:

- **Conservative:** Family law + estate planning channel minimums = \$7,500. Total spend \$15,547 = 24.9% of revenue. Under 35% cap.
- **Aggressive:** 20% rule on \$1.5M goal = \$25,000/mo. Above Starter cap (\$15K) — note 10% overage or upgrade to Growth tier as revenue confirms.

If He Pushes Back

"We've built on referrals for 60 years — why change what's working?"

Referrals are a ceiling. Little & Boylan (47 reviews) runs geo-targeted campaigns for Rochester Hills divorce searches right now. Digital ads add a second stream on top — referrals stay.

"The ad spend feels high."

Conservative \$7,500/mo = 14.4% of estimated revenue. At 4.0x return, that is ~\$30,000 in new monthly case revenue — one family law case covers the month.

"We already have a team — do we need coaching?"

Team is in place; systems are not. Director of Operations and intake coordinator need documented scripts, KPI tracking, and accountability structure. Elite Coach Plus builds that framework.
